CERTIFICATE OF ANALYSIS

Product : Dicyclohexylamine

Lot No : 15200819

Date of test : Aug.19,2020

Issue date : Nov.02,2020

Grade : 99.0 %

Order No. : 090907004

Items	Specifications	Results
Description	Clear, liquid characteristic amine odor.	Passes
Color	< 20 APHA	7 APHA
Water (K.F method)	≤ 0.2 %	0.08 %
Aniline (G.C)	< 0.1 %	0.05 %
Cyclohexanol (G.C)	< 0.1 %	< 0.01 %
Cyclohexylamine (G.C)	< 0.1 %	0.04 %
Assay (G.C)	≥ 99.0 %	99.59 %

Approved by: Analyzed by: **NOTE :**

- 1.This is to certify that this material complies with the requirements of the above specifications and the results in this report are valid only to the sample sent by the applicant.
- 2.The report shall not be reproduced, except in full, without the written approval of the laboratory.
3. Test place: Kaohsiung plant.
- 4.The source of the inspection specifications in the report is: SHQ7501062, and the laboratory does not make any declaration of conformity about the samples.
- 5.The laboratory is not responsible for sampling. The sampling principles of this sample: SHQ7505014.
